Why choice The Maples Assisted Living?

At The Maples Assisted Living, we understand the difficulty in the decisions you face. Understanding and caring about your experience today, and tomorrow, is the heart of what we do. The Maples Assisted Living feature Personalized Assisted Living community concept for those who need some help with routine activities of daily living, such as bathing and dressing, along with a menu of other services.

Because individuals and families are unique we must also be unique to serve each tenant to an optimal standard. Our experience has taught us understanding, compassion, and the importance of a smile.

Our approach is to listen to our tenants; recognize who they are and the services and preferences that are essential to them; and integrate those desires into every viable aspect of their life at our assisted living community. From new clubs to favorite personal recipes or even significant details regarding personal care, our goal is to meet the daily expectations of our residents and their families in every way possible.

Our Personalized Assisted Living Promise: “Respect for Individual Preferences”

In Personalized Assisted Living, we promise an experience that will exceed the norms of traditional assisted living within an environment and lifestyle that are tailored to the needs and preferences of the individual...

Listen

- Our detailed Personal Service Assessment and Plan provides us with the personal information needed to establish the caregiver relationship.

Recognize

- With this detailed information we are able to recognize individual needs and preferences and respond to them in an environment of compassion and respect.

Integrate

- We listen and base care on an individual’s needs. We integrate care needs with personal preferences to ensure each resident’s experience is truly individualized and unique.
