## Watch Your Step

With winter comes snow and ice. We do our best to keep our walkways clear, but remember your shoes can be wet and our tile floors can be slippery. Please watch your step.

## Mark Your Gifts

As your loved ones get all kinds of fuzzy new clothing items for Christmas, please remember to have housekeeping mark it so we know who it belongs to. Just let any staff know and we would be happy to help.

# A Holiday Tradition-Celebrating The Reason for the Season

The time of year has come for crisp mornings, cozy coffees, and the sharing of holiday traditions. A walk down memory lane this time of year is always so nostalgic for everyone that gets the joy of hearing one of the stories. Favorite meals, memorable gifts, overcoming tough times, and of course those hilarious misfortunes that never seem to be avoidable during the celebrations. Over the years, times change. We all hold on fondly to the memories of our childhood and, as we become adults, take great pride in the traditions we are able to create for our own families. Then, as our families grow, we are once again able to sit back and enjoy the wonder of it all.

Our children take the traditions that were passed on from us and make them their own and we once again find ourselves smiling in the delight of children's eyes.

Regardless of what season we are in, there is no greater feeling than the love felt on Christmas. When you know someone thought of you and cared enough to share in the spirit of giving. Maple Crest residents and tenants have been no stranger to this kindness. Goodies and treats of fruit and candies have graced our tables every year.

Christmas gatherings have been filled with goodies as staff adopt someone to add to their Christmas shopping list. Local organizations, churches, and families have been gracious in their giving remembering our family at Maple Crest by delivering blankets, games, stationary, and warm greeting throughout the holidays.

It's funny, when you really watch someone be gifted a Christmas present that has, for a long while, been in the position of making the magic happen. There is a twinkle that can often be seen, one that never went away from when they were a child themselves. So, thank you, for allowing this to be the case for so many wonderful years here at Maple Crest Campus. We are looking forward to another holiday season filled with happy memories and new traditions. We hope you will share in them with us.

If you are looking to know how you can be part of the magic, we invite you to take a peek at our Wish List on Amazon which can be found here:

All warm wishes and holiday greetings can be sent right to our facility at 100 Bolger Drive Fayette, IA 52142. Happy Holidays!
